2021 Tournament Policies and Procedures

Event Scheduling

Events may be scheduled up to one year in advance of the desired date by contacting our golf shop at (757) 250-3399. Depending on the time of day and the number of players in the event, we offer tee time starts and shotgun starts. All golf outings receive the following benefits.

- Personalized Scorecards
- Personalized Golf Cart Signs
- Specialized Event Rules Sheets
- Event Scoring
- Professional Tournament Service
- Personalized Gift Certificates

Event Security Deposit

All events must provide a non-refundable \$300 security deposit. This is not a fee but is a payment that is applied to the final bill at the end of the event. The purpose of the deposit is to hold the date and time for the event coordinator. In the event of inclement weather, or if the coordinator needs to change the event time or date, the deposit will be transferred to another day on the calendar that is agreeable to Stonehouse Golf Club and the event coordinator.

Date Selection & Contract

Once a date and time has been selected and approved by the tournament coordinator and Stonehouse Golf Club, a contract will be drawn up by the golf course. Both parties will review and sign for their records. The security deposit is due within 14 days of the contract signing. With the contract will be a cost estimate for the event. This will include the initial number of players, as well as, the price associated with the golf package chosen, in addition to extraprofessional services chosen or additional food and beverage options. Both the event contract and the event cost estimate must be signed and returned to Stonehouse Golf Club.

Final Player Count

As an event coordinator, you will need to have a rough number of players you are expecting for your golf outing. This is the number that will be on the initial cost estimate for your event. A staff member from Stonehouse Golf Club will contact you when we are 30 days away from your event and see how the numbers are progressing. This allows us to better plan for your big event. We require you to have a final number 7 days in advance of your outing. This includes the number of golfers, as well as, the number of individuals that will be your guests for food and beverage. This final number is what we will base the invoice on at the conclusion of the event.

Tee Signs, Banners or Special Endorsements

Many events have sponsors with signage that they would like to put out on the golf course. If possible, we would like to have the materials that are to be on the golf course at least 2 days in advance of your golf outing. This includes hole signs, hole in one prizes/signs, and on course contest materials.

Your Outing Day

Please be at the golf course at least 2 hours before your starting time. Stonehouse Golf Club will provide a registration table for your use of checking in guests. Our staff realizes how important this day is to you, so provide us with any information to make your day run smoothly. Please express any changes, questions, or concerns to our staff, and we will do everything to make your experience as enjoyable as possible.

Awards and Prizes

When your group is finished with the round, our staff will collect scorecards, post scores, and prepare the final calculations for scoring. When your party has gathered we will furnish you with information allowing you to present the prizes to your guests. If you prefer, our staff will gladly present the awards for you.

Event Payment

Final payment is due the day of the event. We accept cash, checks, and all major credit cards. In the event that you must be invoiced please make arrangements with our staff ahead of time so as the event runs smoothly. In addition include any information to better our service to you the next time you return to Stonehouse Golf Club.

Event Cancellation

In the event of inclement weather or if the event needs to be cancelled by the event coordinator, the security deposit will not be refunded. Instead it will be transferred to another date that is agreeable to Stonehouse Golf Club and the event coordinator. A golf tournament is deemed complete as soon as 9 holes have been completed.
