Event Scheduling

Events may be scheduled up to one year in advance of the desired date by contacting our Pro Shop at (757) 250-3399.

Event Contract and Cost Estimate

Once the date and time have been selected by the Event Coordinator and approved by Stonehouse Golf Club, we will draw up the Event Contract. These stipulations include accepting liability for damage caused by the group to the golf course or equipment. Along with the contract will be a Cost Estimate for the event. This will take into account the initial number of players, the price associated with the golf package chosen, any additional professional services, and/or food and beverage options. Both the Event Contract and Cost Estimate must be signed and returned to Stonehouse Golf Club. The Security Deposit is due within 14 days of the contract signing.

Event Security Deposit

All Event Coordinators must provide a non-refundable \$300 Security Deposit to reserve the event date and time. This payment will be applied to the final bill at the conclusion of the event. In the event of inclement weather or scheduling conflict, the deposit will be transferred to the rescheduled reservation, agreed upon by both Stonehouse Golf Club and the Event Coordinator.

Final Player Count

As Event Coordinator, you will need to have an initial rough estimate for the number of players expected for your golf outing. The Cost Estimate will use this number when pricing your event. A Stonehouse Golf Club staff member will contact you 30 days prior to your event to check on your anticipated participation. This allows us to better plan for your big event. We require a finalized number of golfers, as well as the number of individuals that will be your guests for food and beverage, 7 days in advance of your outing. This final number will be the basis for the invoice at the conclusion of your event.

Tee Signs, Banners, or Special Endorsements

Many events have sponsors desiring signage placement on the golf course. If possible, we would like to have these materials at least 2 days in advance of your golf outing. This includes hole signs, hole-in-one prizes/signs, and on-course contest materials.

Your Outing Day

The Event Coordinator must be at the golf course at least 2 hours before the starting time. Stonehouse Golf Club will provide a registration table for use while checking in guests. Our staff realizes how important this day is to you, so please provide us with any information needed to help make your day run smoothly. Please be sure to promptly communicate any changes, questions, or concerns to our staff so we may make your experience as enjoyable as possible.

Awards and Prizes

When your group is finished with the round, our staff will collect score cards, post scores, and prepare the final calculations. We will furnish you with the scoring results, allowing you to present the awards and prizes to your gathered guests. If you prefer, our staff will gladly present them for you.

Event Payment

Final single payment is due from the Event Coordinator on the day of the event. We accept cash & checks for payment. Major credit cards will be also accepted, but with an added 3% surcharge. In the event that you must be invoiced, please make arrangements with our staff ahead of time so the event concludes smoothly. Within the few days following your event, please fill out and return our Outing Survey so that we may better serve you during your next visit to Stonehouse Golf Club.

Event Cancellation

In the event of inclement weather or if the event is cancelled by the Event Coordinator, the Security Deposit will not be refunded. Instead, it may be transferred to another date that is agreeable to Stonehouse Golf Club and the Event Coordinator. A golf tournament is deemed complete as soon as 9 holes have been completed.
